

Jacob – one of the most popular first names in the Mediterranean.  
The region, which served as a wonderful inspiration for our restaurant concept.

There are two interpretations for the translation:

**“Jacob – May God Protect”**  
Blessings from above always come handy.

**“Jacob – The twin who was born second.”**  
Our BLB restaurant is very happy about his little brother.

Frère Jacques, Frère Jacques  
Are you sleeping? Are you sleeping?
